(AGENDA ITEM #15B) RESOLUTION DECLARING A LOCAL STATE OF EMERGENCY THROUGH DECEMBER 31, 2021 FOR THE PURPOSE OF PERMITTING THE CITY COUNCIL AND OTHER PUBLIC BODIES OF THE CITY OF OAK PARK TO MEET BY ELECTRONIC AND TELEPHONIC MEANS - APPROVED

Motion by Whitehead seconded by Edgar, CARRIED UNANIMOUSLY, to approve the following resolution declaring a Local State of Emergency through December 31, 2021 for the purpose of permitting the City Council and other public bodies of the City of Oak Park to meet by electronic and telephonic means:

**A RESOLUTION DECLARING A LOCAL STATE OF EMERGENCY FOR THE
PURPOSE OF PERMITTING THE CITY COUNCIL AND OTHER PUBLIC BODIES OF
THE CITY OF OAK PARK TO MEET BY ELECTRONIC AND TELEPHONIC MEANS**

WHEREAS, as recently as May 4, 2021 the Director of the Michigan Department of Health and Human Services (MDHHS) made the following findings:

“The novel coronavirus (COVID-19) is a respiratory disease that can result in serious illness or death. It is caused by a new strain of coronavirus not previously identified in humans and easily spread from person to person. COVID-19 spreads through close human contact, even from individuals who may be asymptomatic.

On March 10, 2020, MDHHS identified the first two presumptive-positive cases of COVID-19 in Michigan. As of March 1, 2021, Michigan had seen 589,150 confirmed cases and 15,534 confirmed deaths attributable to COVID-19. Michigan was one of the States most heavily impacted by COVID-19 early in the pandemic, with new cases peaking at nearly 2,000 per day in late March. Strict preventative measures and the cooperation of Michiganders drove daily case numbers dramatically down to fewer than 200 confirmed cases per day in mid-June, greatly reducing the loss of life. Beginning in October, Michigan again experienced an exponential growth in cases. New cases peaked at nearly 10,000 cases per day in mid-November, followed by increases in COVID-19 hospitalizations and deaths.

On November 15, 2020, MDHHS issued an order enacting protections to slow the high and rapidly increasing rate of spread of COVID-19. Cases, hospitalizations, and deaths remained high through early December, threatening hospital and public health capacity. On December 7, 2020, December 18, 2020, and January 13, 2021, MDHHS issued orders sustaining those protections. These orders played a crucial role in slowing the spread in Michigan and have brought new cases down to about 1,500 per day. These lower rates prevented Michigan’s healthcare system from being overwhelmed with a holiday surge.

Positivity, case rates, and hospitalizations have improved since the April peak, but all metrics remain high. Positivity remains above 12% and the case rate for Michigan is above 350 cases per million. As of May 3, there are still over 3,000 Michiganders hospitalized with COVID-19, and 15.9% of all available inpatient beds were occupied by patients who had COVID-19. During this time, Michigan had the highest number of cases and case rate in the nation, as well as COVID-19 hospital utilization, and COVID-19 ICU utilization according to data from the CDC and U.S. Health and Human Services. The state death rate was 6.5 deaths per million people on May 1, and there are approximately 450 weekly deaths in Michigan attributable to COVID-19. This is an increase of over 350% from the 1.4 deaths per million on March 9, 2020.

Even where COVID-19 does not result in death, and where Michigan’s emergency and hospital systems are not heavily burdened, the disease can cause great harm. Recent estimates suggest that one in ten persons who suffer from COVID-19 will experience long-term symptoms, referred to as “long COVID.” These symptoms, including fatigue, shortness of breath, joint pain, depression, and headache, can be disabling. They can last for months, and in some cases, arise unexpectedly in patients with few or no symptoms of COVID-19 at the time of diagnosis. COVID-19 has also been shown to damage the heart and kidneys. Furthermore, minority groups in Michigan have experienced a higher proportion of “long COVID.” The best way to prevent these complications is to prevent transmission of COVID-19.

Effective March 30, 2021, the authority for Michigan public bodies to hold electronic “virtual” meetings under the Michigan Open Meetings Act for any reason expired. Pursuant to MCL 15.263(2), beginning March 31, 2021, and continuing until December 31, 2021, a public body may only conduct electronic meetings during

the occurrence of a statewide or local state of emergency or state of disaster declared pursuant to law or charter or local ordinance by a local official, governing body, or chief administrative officer that would risk the personal health or safety of members of the public if the meeting were held in person.

New and unexpected challenges continue to arise with the increase in cases attributed to new COVID-19 variants that have a disparate impact on unvaccinated populations and children under the age of 12 that are currently not eligible for vaccination. This further complicates the battle against COVID-19. As of September 13, 2021, the State of Michigan reported 6,093 new cases of COVID-19, with the 7-day average for daily cases at 2,304, a significant jump since the beginning of July, 2021. A total of 57.6% of Michigan residents sixteen years of age and older are currently fully vaccinated, with 66.4% having received at least one dose.

As of September 14, 2021, the Oakland County Health Department reported 139 new COVID-19 cases. Total confirmed cases in Oakland County have risen to 112,831, and increase from 102,302 as of July 1, 2021.

WHEREAS, the City Council desires to conduct the public business of the City in a manner so as not to risk the personal health or safety of members of the public, City staff, or members serving on public bodies of the City.

NOW, THEREFORE, IT IS RESOLVED, THAT pursuant to the authority contained at § 3 of the Home Rule Cities Act, MCL 117.3 (j) authorizing cities to provide for the public health and safety of persons; §3 of the Open Meetings Act, MCL 15.263 (2) permitting a public body to meet by electronic or telephonic means upon declaration of a local state of emergency or state of disaster if meeting in person would place at risk the personal health or safety of members of the public or members of the public body; and §10 (b) of the Emergency Management Act permitting the Mayor to declare a local state of emergency;

I, Marian McClellan, Mayor of the City of Oak Park based on the findings made by the Michigan Department of Health and Human Services and the Oakland County Health Department regarding the public health threat posed by the COVID-19 novel coronavirus and its variant strains declare a local state of emergency to permit the City Council and all other public bodies of the City of Oak Park to continue to meet by electronic and telephonic means, and respectfully request the City Council affirm this action through December 31, 2021.

BUSINESS OF THE CITY COUNCIL, OAK PARK, MICHIGAN

AGENDA OF: October 4, 2021

AGENDA #

SUBJECT: Request authorization to enter into an inter-governmental agreement with the City of Ferndale to utilize their Southwest Storage Yard as a transfer station for leaf pick up.

DEPARTMENT: Public Works

SUMMARY: The Department of Public Works is requesting authorization to enter into an inter-governmental agreement with the City of Ferndale to utilize their Southwest Storage Yard as a transfer station for leaf pick up. The advantages of utilizing the Ferndale storage yard include less activity, storage, and "smell" at the DPW yard, more convenient drop off due to the larger yard, and significantly less leaf loading costs since they have a ramp and large loader bucket capable of loading leaves directly onto SOCRRA contracted trucks.

FINANCIAL STATEMENT: The agreement calls for a cost to the City of Oak Park of \$3,712 for usage of the yard and actual labor and equipment costs estimated at \$12,000.

RECOMMENDED ACTION: It is recommended that City Council authorize the Department of Public Works to enter into an inter-governmental agreement with the City of Ferndale to utilize their storage yard for leaf pick up upon final review from the City Attorney's office.

**AGREEMENT BETWEEN THE CITY OF OAK PARK AND THE CITY OF
FERNDALE REGARDING USE OF SOUTHWEST STORAGE AREA**

This Agreement (the "Agreement") is made between the City of Oak Park ("Oak Park"), a Michigan Municipal Corporation with an address at 13600 Oak Park Boulevard, Oak Park, Michigan 48237 and the City of Ferndale ("Ferndale") a Michigan Municipal Corporation with an address at 300 E. Nine Mile Road, Ferndale, Michigan 48220.

Pursuant to Article VII, § 28 of the Michigan Constitution of 1963, Ferndale and Oak Park enter into this Agreement for the purpose of delineating the obligations and responsibilities regarding the use by Oak Park of Ferndale's Southwest Storage Yard as a transfer site for leaves.

This Agreement, which will provide for efficient and coordinated collection of leaves, is determined to be in the best interests of both Oak Park and Ferndale.

NOW THEREFORE, in consideration of the mutual promises, obligations, representations and assurances set forth in this Agreement, the parties agree to the following:

1. Ferndale shall allow Oak Park to utilize its southwest storage yard as a transfer site for leaves from October 4, 2021, through December 31, 2021. This Agreement may be extended for additional years upon terms and conditions agreed to by the parties. Any such delivery of leaves by Oak Park to the Southwest Storage Yard shall be through the west gate entrance of the storage yard, with any such trucks using Republic Street in Oak Park.
2. Oak Park shall pay Ferndale for using the Southwest Storage Yard as a transfer site for leaves the amount of \$3,712 within fourteen (14) days from the execution of this Agreement. Additionally, Oak Park shall pay Ferndale the amount that represents the proportionate tonnage between the two communities for labor and equipment costs associated with loading the leaves into the transfer trucks at the Southwest Storage Yard as described in the attached 2017 leaf disposal schedule, which is attached as Exhibit 1 and incorporated by reference into this Agreement. The labor and equipment costs shall be paid by Oak Park to Ferndale within thirty (30) days from the end of this Agreement. In the event that Oak Park employees work at the Southwest Storage Yard for the loading of leaves to be transferred from the Southwest Storage Yard the payment to Ferndale shall be adjusted on a proportionate basis based on Exhibit 1. In the event that Oak Park employees work at the Southwest Storage Yard as discussed above, they shall utilize Oak Park equipment only.
3. In order to update the figures in Exhibit 1, Oak Park shall be required to report the daily amount of leaves dropped at the Southwest Storage Yard. The estimated yardage of each drop shall be recorded, attached as Exhibit 2 is the log that should be used to keep track of each drop. Failure to submit daily log will result in a penalty of \$100.00 per instance. The total penalty amount will be collected and shall be paid with the labor and equipment costs within thirty (30) days from the end of this Agreement.

12. This Agreement represents the entire Agreement and understanding between Oak Park and Ferndale. This Agreement shall supersede all other oral or written Agreements between Oak Park and Ferndale respecting this matter. The language of this Agreement shall be construed as a whole according to its fair meaning and shall not be construed strictly for or against any party.

13. This Agreement may be executed in two or more counter parts, each of which shall be deemed an original and all of which together shall constitute one in the same instrument. The effective date shall be the date the last party has executed the Agreement.

I

The City will perform Winter Maintenance of certain roads under the terms of this Agreement, and the Board will participate in the cost thereof as provided in Section III of this Agreement. "Winter Maintenance," herein required to be performed by the City, shall mean snow removal and ice control, on all roads listed in Exhibit A, as follows: Snow removal by blading, plowing and other methods necessary to make the roads reasonably safe for public travel, and ice control by salting, sanding, scraping and other methods necessary to make the roads reasonably safe for public travel, together with such other work and services, such as recordkeeping and insurance, required by this Agreement. All Winter Maintenance work and services performed by the City shall be in accordance with the Board's maintenance guidelines, including the Board adopted Winter Maintenance Guidelines, the Board's standard practices and this Agreement.

II

The City shall keep accurate and uniform records of all Winter Maintenance work performed pursuant to this Agreement. The Board shall have the right to audit City accounts and records insofar as such documents concern this Agreement and the work and services performed and to be performed hereunder.

III

In consideration of the assumption of Winter Maintenance by the City, the Board hereby agrees to pay to the City the sum of \$49,677.29, as set forth in Exhibit A, attached hereto and made a part hereof. Such amounts are to be used by the City for Winter Maintenance. Payments are to be made by the Board to the City as follows:

50% in December 2021
50% in March 2022

The making of said payments shall constitute the Board's entire obligation in reference to Winter Maintenance.

IV

The City hereby agrees to hold harmless, represent, defend and indemnify the Board, the Road Commission for Oakland County, its officers, and employees the County of Oakland; the Office of the Oakland County Water Resources Commissioner and applicable drainage districts(s); the Michigan State Department of Transportation and the Transportation Commission; and any and all local units(s) of government within which the roads subject to this Agreement are located, against any and all claims, charges, complaints, damages, or causes of action for (a) public or private property damage, (b) injuries to persons (including death), or (c) other claims, charges, complaints, damages or causes of action arising out of the performance or non-performance of the activities which are the subject matter of this Agreement, specifically those activities set out in Section I, both known and unknown, whether during the progress or after the completion thereof. However, this hold harmless provision does not apply in so far as any claim or suit is alleged to be, or demonstrated to be, the result of a defect in highway design or condition and not related to the Winter Maintenance activities set out in Section I. Further, since the Board has the statutory responsibility for maintenance of the roads under this Agreement, it is the intent of the parties that the delegation by this Agreement of those maintenance responsibilities to the City provide immunity to the City as an agent of the County. Therefore, the City falls within the governmental immunity protection of the County.

During that part of the year that the City is providing Winter Maintenance under Section I, the City agrees to promptly notify the Board as soon as possible, but not longer than 5 days, should it become aware of defects or maintenance requirements in the roads set forth in Exhibit A, if said defects or maintenance requirements are not Winter Maintenance subject to this Agreement.

V

The City shall acquire and maintain, during the term of the Agreement, statutory worker's compensation insurance, employer's liability insurance, automobile and comprehensive general liability insurance coverages, as more fully described in Exhibit B attached hereto, covering the Board's liability for any and all claims arising out of the City's performance or non-performance of the activities which are the subject matter of this Agreement.

VI

The City further agrees to comply with all applicable laws and regulations, including without limitation, laws and regulations of the State of Michigan for safeguarding the air and waters of the State. In particular, City facilities and operations must meet the provisions of Part 5 (Spillage of Oil and Polluting Materials) rules promulgated pursuant to Part 31, Water Resources Protection, of the Natural Resources and Environmental Protection Act, 1994 PA 451, as amended. (Rules R324.2001 through R324.2009 address release prevention planning, secondary containment, surveillance, and release reporting requirements).

VII

In accordance with Michigan 1976 Public Acts No. 220 and 453, being MCLA §§37.1209 and 37.2209, as the same may be amended, the City and its subcontractors shall not discriminate against an employee or applicant for employment with respect to hire, tenure, terms, conditions, or privileges of employment, or matter directly or indirectly related to employment, because of race, color, religion, national origin, age, sex, height, weight, or marital status; or because of a disability that is unrelated to the individual's ability to perform the duties of a particular job or position. A breach of this covenant may be regarded as a material breach of this Agreement.

VIII

It is the intention of the parties hereto that this Agreement is not made for the benefit of any third party.

It is anticipated that subsequent agreements regarding Winter Maintenance activities will be executed annually by the Parties hereto.

The terms and conditions of this Agreement shall become effective on October 1, 2021 and shall continue in full force and effect until a subsequent Winter Maintenance agreement has been executed by the parties hereto or until this Agreement is terminated, as set forth below.

In the event that a subsequent Winter Maintenance agreement has not been executed by the parties hereto on or before September 1, 2022, either party may terminate this Agreement by providing the other party hereto with written notice of intent to terminate, at least thirty (30) days prior to the date of termination.

PERFORMANCE RESOLUTION FOR MUNICIPALITIES

This Performance Resolution (Resolution) is required by the Michigan Department of Transportation for purposes of issuing to a Municipality an "Individual Permit for Use of State Highway Right of Way", and/or an "Annual Application and Permit for Miscellaneous Operations within State Highway Right of Way".

RESOLVED WHEREAS, the _____
(County, City, Village, Township, etc.)

hereinafter referred to as the "MUNICIPALITY," periodically applies to the Michigan Department of Transportation, hereinafter referred to as the "DEPARTMENT," for permits, referred to as "PERMIT," to construct, operate, use and/or maintain utilities or other facilities, or to conduct other activities, on, over, and under State Highway Right of Way at various locations within and adjacent to its corporate limits;

NOW THEREFORE, in consideration of the DEPARTMENT granting such PERMIT, the MUNICIPALITY agrees that:

1. Each party to this *Resolution* shall remain responsible for any claims arising out of their own acts and/or omissions during the performance of this *Resolution*, as provided by law. This *Resolution* is not intended to increase either party's liability for, or immunity from, tort claims, nor shall it be interpreted, as giving either party hereto a right of indemnification, either by Agreement or at law, for claims arising out of the performance of this Agreement.
2. If any of the work performed for the MUNICIPALITY is performed by a contractor, the MUNICIPALITY shall require its contractor to hold harmless, indemnify and defend in litigation, the State of Michigan, the DEPARTMENT and their agents and employee's, against any claims for damages to public or private property and for injuries to person arising out of the performance of the work, except for claims that result from the sole negligence or willful acts of the DEPARTMENT, until the contractor achieves final acceptance of the MUNICIPALITY. Failure of the MUNICIPALITY to require its contractor to indemnify the DEPARTMENT, as set forth above, shall be considered a breach of its duties to the DEPARTMENT.
3. Any work performed for the MUNICIPALITY by a contractor or subcontractor will be solely as a contractor for the MUNICIPALITY and not as a contractor or agent of the DEPARTMENT. The DEPARTMENT shall not be subject to any obligations or liabilities by vendors and contractors of the MUNICIPALITY, or their subcontractors or any other person not a party to the PERMIT without the DEPARTMENT'S specific prior written consent and notwithstanding the issuance of the PERMIT. Any claims by any contractor or subcontractor will be the sole responsibility of the MUNICIPALITY.
4. The MUNICIPALITY shall take no unlawful action or conduct, which arises either directly or indirectly out of its obligations, responsibilities, and duties under the PERMIT which results in claims being asserted against or judgment being imposed against the State of Michigan, the Michigan Transportation Commission, the DEPARTMENT, and all officers, agents and employees thereof and those contracting governmental bodies performing permit activities for the DEPARTMENT and all officers, agents, and employees thereof, pursuant to a maintenance contract. In the event that the same occurs, for the purposes of the PERMIT, it will be considered as a breach of the PERMIT thereby giving the State of Michigan, the DEPARTMENT, and/or the Michigan Transportation Commission a right to seek and obtain any necessary relief or remedy, including, but not by way of limitation, a judgment for money damages.
5. The MUNICIPALITY will, by its own volition and/or request by the DEPARTMENT, promptly restore and/or correct physical or operating damages to any State Highway Right of Way resulting from the installation construction, operation and/or maintenance of the MUNICIPALITY'S facilities according to a PERMIT issued by the DEPARTMENT.

6. With respect to any activities authorized by a PERMIT, when the MUNICIPALITY requires insurance on its own or its contractor's behalf it shall also require that such policy include as named insured the State of Michigan, the Transportation Commission, the DEPARTMENT, and all officers, agents, and employees thereof and those governmental bodies performing permit activities for the DEPARTMENT and all officers, agents, and employees thereof, pursuant to a maintenance contract.
7. The incorporation by the DEPARTMENT of this *Resolution* as part of a PERMIT does not prevent the DEPARTMENT from requiring additional performance security or insurance before issuance of a PERMIT.
8. This *Resolution* shall continue in force from this date until cancelled by the MUNICIPALITY or the DEPARTMENT with no less than thirty (30) days prior written notice provided to the other party. It will not be cancelled or otherwise terminated by the MUNICIPALITY with regard to any PERMIT which has already been issued or activity which has already been undertaken.

BE IT FURTHER RESOLVED that the following position(s) are authorized to apply to the DEPARTMENT for the necessary permit to work within State Highway Right of Way on behalf of the MUNICIPALITY.

Proclamation

Michigan Library Month – October 2021

Whereas, The Michigan Library Association (MLA) annually designates the month of October as a statewide observance to celebrate the contributions of Michigan's libraries, librarians and library staff;

Whereas, Michigan's libraries (school, public, academic, tribal, cooperatives, and special libraries) are vital, dynamic centers of discovery and lifelong learning, serving as cornerstones in healthy communities;

Whereas, librarians and library workers play key roles in connecting their community members to resources and information, helping people explore, imagine and discover new horizons in the vast world of information, knowledge and entertainment;

Whereas, today's libraries are less about what they have on the shelves and more about what they can do with and for their communities, whether it's through virtual services or in-person visits;

Whereas, libraries and librarians work to create an equitable society by providing free access to accurate information to all people;

Whereas, in times of crisis, libraries and library staff play a critical role in continuing to support their communities when they need it the most;

Whereas, libraries bring together diverse populations and are a resource for all members of the community regardless of race, ethnicity, creed, ability, sexual orientation, gender identity or socioeconomic status;

Whereas, libraries strive to develop and maintain programs and collections that are as diverse as the populations they serve;

Whereas, libraries serve as a vital connection to the people, places and ideas of the world through books, magazines, videos and the Internet and are the primary point of online access for people without computers at home, school or work;

Whereas, libraries provide indispensable educational resources for children and teenagers, and are on the front lines in the battle against illiteracy, offering plenty of free activities, as well as safe, enriching entertainment for the whole family;

Whereas, one-half of all Michiganders hold library cards, and in 2020, visited their local libraries in-person more than 33 million times, virtually nearly 55 million times, and borrowed over 57 million physical items and close to 12 million eMaterials;

Whereas, in 2020, Michigan public libraries provided more than 13,000 live virtual programs for children, teens and adults reaching over 608,000 people;

Whereas, during the worldwide pandemic in 2020, 76% of Michigan's public libraries offered curbside services and 82% continued to provide reference services via phone and internet - providing a way to continue getting information and materials to residents even when library buildings were closed to the public;

Whereas, hundreds of libraries and millions of library supporters across Michigan are celebrating Michigan Library Appreciation Month this October;

NOW, THEREFORE, BE IT RESOLVED, that I, Marian McClellan, Mayor of the City of Oak Park, Michigan, on behalf of the Oak Park City Council proclaim October 2021 as Michigan Library Appreciation Month and encourage all residents to visit their library in person or virtually to connect to the myriad of services, resources and collections their library provides.

TESTIMONY WHEREOF, I have officially signed my name, and caused the seal of the City of Oak Park, Michigan, to be affixed this fourth day of October, Two Thousand Twenty One.

Marian McClellan, Mayor

ARTICLE I.-

Sec. 66-2.- Vacating Streets

2021 Oak Park Millage Renewals

Millage Renewal Facts

- Two renewal questions to appear on the Nov. 2 ballot;
- The proposed millage renewals are not a tax increase;
- Even if these renewals are passed, residents will continue to see a decrease in the City's millage rate due to statutory millage rollbacks. In fact, the City's millage rate has decreased by almost 10% since 2015 due to these rollbacks and the responsible refinancing of debt;
- The City will lose about \$835,000 of revenue annually if these millages are not renewed.

Public Safety Headlee Override Millage Renewal 1.065 Mills (\$1.065 per \$1,000 Taxable Value)

Originally approved in 2011 to help fund personnel, equipment and operations of the public safety department.

If passed, this renewal will continue to fund important initiatives like community policing, department-wide body cameras, the K-9 unit, purchasing a new firetruck and basic operations.

Solid Waste Headlee Override Millage Renewal 0.4655 Mill (\$0.4655 per \$1,000 Taxable Value)
