AGENDA OF: September 18, 2023

SUBJECT: Request authorization to enter into an inter-governmental agreement with the City of Ferndale to utilize their Southwest Storage Yard as a transfer station for leaf pick up.

DEPARTMENT: Public Works - *DED*

SUMMARY: The Department of Public Works is requesting authorization to enter into an inter-governmental agreement with the City of Ferndale to utilize their Southwest Storage Yard as a transfer station for leaf pick up. The advantages of utilizing the Ferndale storage yard include less activity, storage, potential "smell" at the DPW yard, more convenient drop off due to the larger yard, and significantly less leaf loading costs since they have a ramp and large loader bucket capable of loading leaves directly onto SOCRRA contracted trucks.

FINANCIAL STATEMENT: The agreement calls for a cost to the City of Oak Park of \$3,712 for usage of the yard and actual labor and equipment costs estimated at \$15,000.

RECOMMENDED ACTION: It is recommended that City Council authorize the Department of Public Works to enter into an inter-governmental agreement with the City of Ferndale to utilize their storage yard for leaf pick up upon final review from the City Attorney's office.

AGREEMENT BETWEEN THE CITY OF OAK PARK AND THE CITY OF FERNDALE REGARDING USE OF SOUTHWEST STORAGE AREA

This Agreement (the "Agreement") is made between the City of Oak Park ("Oak Park"), a Michigan Municipal Corporation with an address at 13600 Oak Park Boulevard, Oak Park, Michigan 48237 and the City of Ferndale ("Ferndale") a Michigan Municipal Corporation with an address at 300 E. Nine Mile Road, Ferndale, Michigan 48220.

Pursuant to Article VII, § 28 of the Michigan Constitution of 1963, Ferndale and Oak Park enter into this Agreement for the purpose of delineating the obligations and responsibilities regarding the use by Oak Park of Ferndale's Southwest Storage Yard as a transfer site for leaves.

This Agreement, which will provide for efficient and coordinated collection of leaves, is determined to be in the best interests of both Oak Park and Ferndale.

NOW THEREFORE, in consideration of the mutual promises, obligations, representations and assurances set forth in this Agreement, the parties agree to the following:

1. Ferndale shall allow Oak Park to utilize its southwest storage yard as a transfer site for leaves from October 9, 2023, through December 31, 2023. This Agreement may be extended for additional years upon terms and conditions agreed to by the parties. Any such delivery of leaves by Oak Park to the Southwest Storage Yard shall be through the west gate entrance of the storage yard, with any such trucks using Republic Street in Oak Park.
2. Oak Park shall pay Ferndale for using the Southwest Storage Yard as a transfer site for leaves the amount of \$3,712 within fourteen (14) days from the execution of this Agreement. Additionally, Oak Park shall pay Ferndale the amount that represents the proportionate tonnage between the two communities for labor and equipment costs associated with loading the leaves into the transfer trucks at the Southwest Storage Yard as described in the attached 2017 leaf disposal schedule, which is attached as Exhibit 1 and incorporated by reference into this Agreement. The labor and equipment costs shall be paid by Oak Park to Ferndale within thirty (30) days from the end of this Agreement. In the event that Oak Park employees work at the Southwest Storage Yard for the loading of leaves to be transferred from the Southwest Storage Yard the payment to Ferndale shall be adjusted on a proportionate basis based on Exhibit 1. In the event that Oak Park employees work at the Southwest Storage Yard as discussed above, they shall utilize Oak Park equipment only.
3. In order to update the figures in Exhibit 1, Oak Park shall be required to report the daily amount of leaves dropped at the Southwest Storage Yard. The estimated yardage of each drop shall be recorded, attached as Exhibit 2 is the log that should be used to keep track of each drop. Failure to submit daily log will result in a penalty of \$100.00 per instance. The total penalty amount will be collected and shall be paid with the labor and equipment costs within thirty (30) days from the end of this Agreement.

4. This Agreement does not, and is not intended to, impair, divest, delegate, or contravene any constitutional, statutory, and/or other legal right, privilege, power, obligation, duty, or immunity of Oak Park or Ferndale.
5. Absent a written waiver, no act, failure or delay by either Oak Park or Ferndale to pursue or enforce any rights or remedies under this Agreement shall constitute a waiver of those rights regard to any existing or subsequent breach of this Agreement. No waiver of any term, condition, or provision of this Agreement, whether by conduct or otherwise, in one or more instances, shall be deemed or construed as a continuing waiver of any term, condition, or provision of this Agreement. No waiver by either Oak Park or Ferndale shall subsequently affect its right to require strict performance of this Agreement.
6. Nothing contained herein shall be construed to make the employees of either party the employees of the other or to render either party liable for such other party's debts or obligations.
7. If a court of competent jurisdiction finds a term, or condition, of this Agreement to be illegal or invalid, then the term, or condition, shall be deemed severed from this Agreement. All other terms, condition, and provisions of this Agreement shall remain in full force.
8. The section and subsection numbers, captions, and any index to such sections and subsections contained in this Agreement are intended for the convenience of the reader and are not intended to have any substantive meaning. The numbers, captions and indexes shall not be interpreted or be considered as part of this Agreement. Any use of the singular or plural number, any reference to the male, female, or neuter genders, and any possessive or nonpossessive use in this Agreement shall be deemed the appropriate plurality, gender or possession as the context requires.
9. Notice will be deemed given on the date when one of the following first occur: (1) the date of actual receipt; (2) the next business day when notice is sent express delivery services or personal delivery; or (3) three days after mailing first class or certified mail.
10. This Agreement shall be governed, interpreted, and enforced by the laws of the State of Michigan. Except as otherwise required by law or court rule, any action brought to enforce, interpret, or decide any claim arising under or related to this Agreement shall be brought in the 6th Judicial Circuit Court of the State of Michigan and venue is acknowledged as proper in the court set forth above.
11. Any modifications, amendments, recessions, waivers, or releases to this Agreement must be in writing and agreed to by both Oak Park and Ferndale. Unless otherwise agreed, the modification, amendment, recession, waiver, or release shall be signed by the same persons who signed this Agreement or other persons as authorized by the Oak Park and Ferndale governing bodies.

12. This Agreement represents the entire Agreement and understanding between Oak Park and Ferndale. This Agreement shall supersede all other oral or written Agreements between Oak Park and Ferndale respecting this matter. The language of this Agreement shall be construed as a whole according to its fair meaning and shall not be construed strictly for or against any party.

2023-2024 WINTER MAINTENANCE AGREEMENT
CITY OF OAK PARK

Under 1951 PA 51, As Amended

This Winter Maintenance Agreement ("Agreement") is made this ____ day of _____, 2023, between the Board of County Road Commissioners of the County of Oakland, State of Michigan, a public body corporate, hereinafter referred to as the "Board," and the City of Oak Park, Oakland County Michigan, a Michigan municipal corporation hereinafter referred to as the "City."

WHEREAS, certain county primary and local roads more specifically set forth in Exhibit A, attached hereto, are under the jurisdiction and control of the Board and are located within or adjacent to the City; and

WHEREAS, The City desires to be responsible for certain winter maintenance of said roads under the terms of this Agreement, and the Board is willing to participate in the cost thereof as provided in Section III of this Agreement;

NOW, THEREFORE, in consideration of the mutual covenants set forth herein as provided, it is hereby agreed as follows:

I

The City will perform Winter Maintenance of certain roads under the terms of this Agreement, and the Board will participate in the cost thereof as provided in Section III of this Agreement. "Winter Maintenance," herein required to be performed by the City, shall mean snow removal and ice control, on all roads listed in Exhibit A, as follows: Snow removal by blading, plowing and other methods necessary to make the roads reasonably safe for public travel, and ice control by salting, sanding, scraping and other methods necessary to make the roads reasonably safe for public travel, together with such other work and services, such as recordkeeping and insurance, required by this Agreement. All Winter Maintenance work and services performed by the City shall be in accordance with the Board's maintenance guidelines, including the Board adopted Winter Maintenance Guidelines, the Board's standard practices and this Agreement.

II

The City shall keep accurate and uniform records of all Winter Maintenance work performed pursuant to this Agreement. The Board shall have the right to audit City accounts and records insofar as such documents concern this Agreement and the work and services performed and to be performed hereunder.

III

In consideration of the assumption of Winter Maintenance by the City, the Board hereby agrees to pay to the City the sum of \$52,702.63, as set forth in Exhibit A, attached hereto and made a part hereof. Such amounts are to be used by the City for Winter Maintenance. Payments are to be made by the Board to the City as follows:

50% in December 2023
50% in March 2024

The making of said payments shall constitute the Board's entire obligation in reference to Winter Maintenance.

IV

The City hereby agrees to hold harmless, represent, defend and indemnify the Board, the Road Commission for Oakland County, its officers, and employees; the County of Oakland; the Office of the Oakland County Water Resources Commissioner and applicable drainage districts(s); the Michigan State Department of Transportation and the Transportation Commission; and any and all local units(s) of government within which the roads subject to this Agreement are located, against any and all claims, charges, complaints, damages, or causes of action for (a) public or private property damage, (b) injuries to persons (including death), or (c) other claims, charges, complaints, damages or causes of action arising out of the performance or non-performance of the activities which are the subject matter of this Agreement, specifically those activities set out in Section I, both known and unknown, whether during the progress or after the completion thereof. However, this hold harmless provision does not apply in so far as any claim or suit is alleged to be, or demonstrated to be, the result of a defect in highway design or condition and not related to the Winter Maintenance activities set out in Section I. Further, since the Board has the statutory responsibility for maintenance of the roads under this Agreement, it is the intent of the parties that the delegation by this Agreement of those maintenance responsibilities to the City provide immunity to the City as an agent of the Board. Therefore, the City falls within the governmental immunity protection of the Board.

During that part of the year that the City is providing Winter Maintenance under Section I, the City agrees to promptly notify the Board as soon as possible, but not longer than 5 days, should it become aware of defects or maintenance requirements in the roads set forth in Exhibit A, if said defects or maintenance requirements are not Winter Maintenance subject to this Agreement.

V

The City shall acquire and maintain, during the term of the Agreement, statutory worker's compensation insurance, employer's liability insurance, automobile and comprehensive general liability insurance coverages, as more fully described in Exhibit B attached hereto, covering the Board's liability for any and all claims arising out of the City's performance or non-performance of the activities which are the subject matter of this Agreement.

VI

The City further agrees to comply with all applicable laws and regulations, including without limitation, laws and regulations of the State of Michigan for safeguarding the air and waters of the State. In particular, City facilities and operations must meet the provisions of Part 5 (Spillage of Oil and Polluting Materials) rules promulgated pursuant to Part 31, Water Resources Protection, of the Natural Resources and Environmental Protection Act, 1994 PA 451, as amended. (Rules R324.2001 through R324.2009 address release prevention planning, secondary containment, surveillance, and release reporting requirements).

VII

In accordance with Michigan 1976 Public Acts No. 220 and 453, being MCLA §§37.1209 and 37.2209, as the same may be amended, the City and its subcontractors shall not discriminate against an employee or applicant for employment with respect to hire, tenure, terms, conditions, or privileges of employment, or matter directly or indirectly related to employment, because of race, color, religion, national origin, age, sex, height, weight, or marital status; or because of a disability that is unrelated to the individual's ability to perform the duties of a particular job or position. A breach of this covenant may be regarded as a material breach of this Agreement.

VIII

It is the intention of the parties hereto that this Agreement is not made for the benefit of any third party.

It is anticipated that subsequent agreements regarding Winter Maintenance activities will be executed annually by the Parties hereto.

The terms and conditions of this Agreement shall become effective on October 1, 2023 and shall continue in full force and effect until a subsequent Winter Maintenance agreement has been executed by the parties hereto or until this Agreement is terminated, as set forth below.

In the event that a subsequent Winter Maintenance agreement has not been executed by the parties hereto on or before September 1, 2024, either party may terminate this Agreement by providing the other party hereto with written notice of intent to terminate, at least thirty (30) days prior to the date of termination.

This Agreement is executed by the Board at its meeting of _____,
and by the City by authority of a resolution of its governing body, adopted _____,

**BUSINESS OF THE CITY COUNCIL, OAK PARK, MICHIGAN****AGENDA OF** September 18, 2023**SUBJECT:** Election Services Agreement with Oakland County for Early Voting**DEPARTMENT:** City Clerk

SUMMARY: Prop 2 legislation passed in 2022 mandates 9 days of early voting for all statewide, federal, and local elections in Oakland County. The law allows a county to assist its municipalities by coordinating regional early voting sites. The attached agreement provides for Oakland County to coordinate a regional site in our area that will service the municipalities of Oak Park, Huntington Woods, Berkely, and Pleasant Ridge for all future elections. This regional model is advantageous as it allows for the sharing of costs associated with early voting. The location of the regional site will be in the Oak Park Community Center which allows easy early voting access for our voters.

FINANCIAL STATEMENT: Early voting costs related to staffing, publicity, and facility rental that are not reimbursed by the State will be shared by the communities of Oak Park, Berkely, Huntington Woods and Pleasant Ridge.

RECOMMENDED ACTION: Approve the Election Services Agreement with Oakland County to provide early voting services for the City of Oak Park and to designate the Oak Park Community Center, 14300 Oak Park Blvd. as the early voting regional site.

APPROVALS:

**BUSINESS OF THE CITY COUNCIL, OAK PARK, MICHIGAN**

AGENDA OF: September 18, 2023

SUBJECT: Request Support of the City's Joint Application for the Reconnecting Communities Pilot Discretionary Grant Program for the 11 Mile Road Redesign

DEPARTMENT: Economic Development and Planning; Corridor Improvement Authority

SUMMARY: In 2019 the city partnered with Berkley and Huntington Woods and applied for and received a SEMCOG planning grant to study the Coolidge and 11 Mile Corridors in their communities. These communities have recently met and want to further plan and redesign 11 Mile Road to include better crosswalks, trees, green infrastructure, and bike lanes. The City of Royal Oak also recently finished a study of their portion of 11 Mile that would connect to the improvements in the other 3 cities. All four communities will be pursuing the federal grant called Reconnecting Communities Pilot Discretionary Grant Program to fund planning and partial engineering costs. The Cities of Southfield and Madison Heights may also partner with us.

The Oak Park CIA is responsible for enhancing the visual quality of the business district. This means attention to all physical elements: buildings, storefronts, signs, public improvements, landscaping, merchandising displays, and promotional materials. The quality of the designed environment more than any other aspect, demonstrates to the public the other qualities of the district.

In the Corridor Improvements Authority's Development and Tax Increment Financing Plan one of the priorities in establishing vibrant commercial corridors is to identify and provide for the creation of recreational areas within the development district. This may include but is not limited to the creation of pocket parks within the downtown district area as well as bike paths and linear parks. Improvements may include but are not limited to landscaping, seating, decorative fencing, play structure, bike racks, bike lanes, and lighting. The proposed project will cost between \$500,000 - \$1,000,000. Many of the improvements will be funded by TIF funds, TAP Grant Funding, and possible Federal Funding currently available.

We believe the four-community project to better connect all communities along the 11 Mile Corridor is a worthy candidate for this grant. The 11 Mile redesign is another important incremental piece and goal of the Corridor Improvement Authority Plans.

We are requesting a planning grant to redesign 11 Mile Road and create the engineering plans to move forward to apply for additional grants to partially cover the costs of construction.

FINANCIAL STATEMENT: Funding is available from the Corridor Improvement Authority.

RECOMMENDED ACTION: It is recommended that the City Council approve a resolution in support and funding commitment of the City's joint application for the Reconnecting Communities Pilot Discretionary Grant Program.
